

ArabHealth 2007

Arab Health is the largest healthcare event for the Middle East attracting over 2000 exhibitors from 67 countries and hosting 30 dedicated national pavilions. Nowhere else in the region will you be able to see so many key regional and international organisations offering such an extensive range of the latest products and services under one roof.

Hikoneb Products can be seen on Booth ZP49 on Zebel Ali Hall near visitor entrance.
