

Thank you for visiting us...

As Kare Medical, we would like to thank you for taking your precious time and visit us at our booth during Arab Health Exhibition in Dubai. It will be our pleasure to offer you reliable, cost - effective and high - quality goods and services. Medical equipments that we manufacture in Turkey and distribute to domestic market and export to more than forty (40) different countries throughout the globe on Pulmonary Drug Delivery & Aerosol Therapy, Oxygen Therapy, Sleep Therapy and Suction Therapy are HIKONEB Home Type & Hospital Type Ultrasonic and Piston-Type Compressor Nebulizers, HIKONEB Oxybreath Oxygen Concentrators with or without O2 Monitor, SleepONE CPAP, SleepONE AutoPAP (OSA devices), ECOASPIR Portable Suction Unit. As you may have known already that all of our products are CE Marked, ISO certified and have TSE (Turkish Quality Standards) certificates. Thanks again for the interest you have shown in our products and willingness to cooperate with us. We hope that our meeting will be a great start for long term mutually beneficial business relationships and would bring win-win opportunities for both sides. Please do not hesitate to contact Mr. Bekir AKSOY for any further questions, requests and/or support. We wish 2010 would be a year filled with health, success, prosperity and joy.
